The standard 10'x10' space for five full days is \$850.00 plus 12% HST, total: \$952.00. Each additional square foot of space is \$85.00 plus 12% HST. Note that the park is laid out according to the measurements you provide. Concessions will be measured after set-up to ensure the correct square footage is used. Vendors who exceed their allotted space, and who are allowed to stay in the park, must pay cash for the extra footage used. Your fee, payable to Penticton Peach Festival Society, includes the footprint, electricity and water. We do not supply tents, tables or chairs.

Space required, including hitch (please remove it if you can) and/or awning, tables and chairs:

frontage: _____ feet x depth: _____ feet (a minimum of 10' is charged)

power: _____ amps at 110 volts

power: _____ amps at 220 volts

water required (please circle): yes no taps will be provided for a \$25 cash deposit at set-up

Vendors' Schedule

Wednesday, August 8: 6 a.m. Okanagan Lake Park will open for set-up
12 noon vendors must be ready to sell products
11:30 p.m. the park will close as per city bylaw

Thursday to Sunday, August 9 to 12: 11 a.m. to 11:30 p.m.

Penticton Peach Festival Society will provide overnight security for all five nights, Wednesday through to and including Sunday.

Terms and Conditions

- Vendors do not have exclusivity on any one product.
- Vendors must supply their own tents, tables, chairs, etc.
- Vendors are responsible for their own cash, credit card and debit card security.
- Vendors will only sell family oriented items. Any dispute over items for sale will be resolved by the Penticton Peach Festival Board of Directors, and their decisions will be final.
- Vendors must display their insurance coverage in a prominent public place within their booth.
- Vendors must add the Penticton Peach Festival Society as an additional insured to their insurance coverage. Lack of up-to-date insurance coverage that includes Penticton Peach Festival Society as an additional insured will result in closure and removal from the park.
- Food vendors must display their up-to-date Food Safe certificate in a prominent public place within their booth. Lack of up-to-date certification will result in closure and removal from the park.
- Vendors must empty their grey water into the well provided on the west side of the park.
- Vendors must dispose of their own garbage and recycling in the skips provided on the west side of the park.
- Vendors must display product prices.
- Vendors must not engage in price wars.
- Vendors must only occupy their designated space and not encroach out from this space.
- Vendors must not use halogen lights as these cause power disruptions throughout the park. Vendors must use LED and/or fluorescent lights.
- Vendors must use government approved outdoor cables and power bars, these will be checked by our electrician and if found faulty must be replaced before the vendor is allowed to open for business.
- The BC Safety Authority Directive No: D-E3 080606 1 stipulates that: For all non-commercially built structures (such as mobile concession stands, kiosks, construction trailers and similar structures that are custom built) or if certification of commercially built structures is not available from an accredited certification or testing agency, then application for approval may be made to the BC Safety Authority:
 - a. A licensed electrical contractor obtains an installation permit prior to construction;
 - b. The installation conforms to applicable rules of the BC Electrical Code;
 - c. Inspection requests and declarations are submitted per normal installation permit procedures; and

- d. The BC Safety Authority approval label (Silver Label) is applied to a permanently attached exterior metal plate located near the electrical service entry before the structure is shipped from the factory. Note that our electrician will check for proper certification and approval.

Cheque, made payable to Penticton Peach Festival Society: enclosed:	yes	no
